**CLUB LE MONDE (18) ★★★**

**Director:** Simon Rumley

**Stars:** Frank Harper, Dawn Steele, Allison McKenzie,  
Emma Pike

**WRITER/DIRECTOR** Simon Rumley started work on this in the mid-Nineties. By the time he got the money to make it, the story had become a period piece. The distance works in its favour; the arch tone more suited to a wry look back at the clubbing phenomenon than an authentic recreation.
