## Strong Language

A film by Simon Rumley

LONDON is the hippest city in the world (although you're probably bored of being told) and director Simon Rumley captures the Capital's tastes, fashions, scenes, drugs and the pace precisely in his yet-to-be-released debut feature film, *Strong Language*. But this "vox-pop-art docu-drama movie for the MTV generation" also captures the dark side of living in one of the largest cities in the world — guaranteed to keep you on the edge of your seat if you're one of the 20 lucky people to win tickets to TNT's special screening of the film in the West End this Friday. To have a chance of winning a pair of tickets, enter competition ① on 0171-341 6683. Read about Simon's efforts to sell the film in Cannes while previewing the Antipodean contributions on page 58.
