## **Club Le Monde**

Frank Harper, Dawn Steele  
Set in a seedy nightclub in  
1993, the film follows a  
gaggle of wasters as they  
float on a sea of debauchery.  
The acting's a bit ropery: the

conversations are too stiff to  
be believable between  
mashed up mates in a club  
larging it. But there is some  
laugh-out-loud dialogue, and  
if you find piercing a penis in  
a club toilet and chucking up  
over a bloke after too much  
lager, vodka and animal  
nitrate funny, you're bound to  
love this movie. *JM*
