10. *New entry* The Truth Game

Stuart Laing, Selina Giles Another slice of post-*This Life* low-budget British cinema as six twentysomethings assemble around a dinner table, get pissed, talk nonsense and say mean things to each other. Kind of fun, though.

● The *heat* film chart is based on a combination of ticket sales, the number of cinemas a movie is showing at, reader comments and the *heat* team's reviews. Feedback to *heat* at the usual address.
